New York, NY 10017-4707

Dear Arthur:

I just wanted to drop you a short note to let you know that we at RJR are in total support of the Association's activity in dealing with illegally taxed cigarettes in New York.

The list of suspended retail cigarette licenses is being supplied to our Sales Representatives that are responsible for the individual stores with the complete understanding that our sales activity will stop immediately!

Please continue to keep us informed of future retail suspensions and in-turn, we will also keep our eyes open for additional violations as it relates to out-of-state stamped product, no tax stamps or counterfeit tax stamps.

Sincerely,

Mark

M. A. Young
